

Stocks Residents Association Privacy Policy

The Stocks Residents Association stores personal information of people who wish to be members of the Association.

The information stored is:

Name, Postal address, Email address and (optionally) telephone number

This information is securely stored and used to communicate with members regarding the activities of the Association and for controlling voting at meetings.

Member details are not shared with any other organisation.

Members can withdraw from the Association at any time and request their details to be deleted by emailing StocksRAHorwich@gmail.com.
